Dear Potential Junior Fair Board member and parents,

Conducting the Lorain County Junior Fair takes a BIG commitment from ALL Jr. Fair Board members:

*They are expected to attend a lot of meetings. Almost every Thursday starting the last week of July, there are meetings. Every evening of the fair (except Thursday) there are meetings. They will be helping with pre-fair activities such as animal weigh-ins,judgings, clinics, etc. Parents will need to support members in getting them to where they need to be or calling the right people to be excused.

*Members are each required to work a minimum of 20 hours at the fairgrounds during the two work weeks prior to county fair. This is to get the barns prepared (sweeping, cleaning, painting, repairing), set up pens, organize paperwork, and much more. They need to contact their department chairs about what needs to be done. They will work across departments. Quite often, members will work 40-60 hours during these two weeks prior to fair. We try to be as flexible as possible for jobs and other commitments, but we also ask that members put forth the effort to make sure the work is completed. Our goal is to be ready for fair by Friday evening before the fair begins.

*There are two fundraisers. Members are expected to fully participate. Profits are used for materials, supplies and updates to the junior fair barns and office.

*Members are required to turn in a lot of paperwork including project grades, awards, animal weights, etc. as quickly after a show or event has been conducted. These are communicated to other committees and also to the media. It is also important in order to pay out the cash premiums by the senior fair board.

*We realize a lot of schools and colleges start the week of the fair. It may appear we are asking more of those who are in school districts that haven’t begun yet, but the help is needed. On the Monday after the fair we need as much help as possible to clean up and put away. If some of the work is done throughout the week or on Sunday afternoon, it is much easier and faster on Monday (especially since most schools are beginning by then). We welcome 4-H club community service help on Monday too!).

The junior fair board experience provides members the opportunity to learn and excel in leadership, teamwork, social relationships, management, and problem solving. But as you can see, it is a large commitment! We hope you will see the long term benefits of being a member and will encourage and support your child becoming a Lorain County Junior Fair Board Member!

If you have any questions, please contact me.

Sincerely,

Sherry Nickles,
Junior Fair Coordinator
