Questions

If you are entering animal entries, please provide special pen instructions:

Exhibitors entering Market Animals

The online system will ask you to upload a high-resolution image of the youth with his/her animal for identification purposes. Pictures taken with cell phones are acceptable. Please refer to the Photo Tips included at the end of the Fair Entry Help Sheet for additional details.

Tag*
Tattoo

If you do not have the required information, please enter TBD. For example, poultry and hogs are tagged at fair check-in; there are animals that possession/ownership deadlines have not passed; etc. If the required information is a radio button, please select one and note on your entry worksheet that this will need to be updated.

All animal information will be updated and verified during the check-in process at fair.
