Old Business

Skill-a-Thon—The Skill-a-thon is setup, and ready to run through each species. Dawn and Scott reminded everyone we just need the bodies to help with getting the stations running correctly.

Fair Booth—We are doing a shared booth with Advisory Board. Scott contacted the Advisory Board members who agreed to put together a portion of the booth with their information.

New Business

Awards for the winners of Skill-a-thon, Highest point earner in Small and Large Animal Jr. and Sr. Level Scott purchased bags, and cinch bags, and 4 chairs for the top earners in each division. These will have each winner on them, and ready to go for Sunday of Opening ceremony.

Setup of the Booth at the fair—If anyone is interested we got clearance to setup on Wednesday before the fair begins. If you are interested in helping, anytime after 4:30 it will be setup.

Membership (2 adults, and 1 teen going off in December) How do we want to recruit, or get these members for the future? Scott will put together a link to sign up people at the fair in the booth if they are interested, they can sign up on the link, or they can call the office after fair to be put on the list.

Need to start thinking about updates and changes to the SRO's and have in place for the January/February Meeting. This is tabled until the September meeting, where we can see the direction in which we are going to be headed.
