Educational Board Minutes

June 19, 2023

Meeting was called to order at 6:43 p.m.

Roll Call—Tammy Zifcaf ex, Kayla Linden ex, Lauren Amato, Meredith Wysocki ex, Emily Kois, Amy Gerber, Madison Cheoweth, Jocelyn Wyatt, Emily Amato.

Minutes of the Previous Meeting: The minutes of the last meeting were accepted by Dawn, and 2nd by Judy. Minutes passed.

Old Business:

Skill-a-Thon—Dawn and Scott will get together and will make sure that everything is ready to go before the three nights.

Terms of Members---Scott and Judy will be going off, and possibly Emma Berthold.

New Business:

Event Requests—Nothing brought to the board. Animal school were really good, and we have had at Swine 8 hogs, with 12 members. Beef school had 15 members. The beef broke down into three different sections.

Skill-a-thon The group decided that each species will have 3 tables per each group. The tables will have one activity at each table. Scott and Dawn plan to be at the locations at 3:00 each day to get things setup and ready to go when the kids arrive.

Jacki will be sending out the sign up link for kids to use to sign up for the project.

Speech Contest, Dairy Judging, Rabbit Judging, Hippology will be officially falling under the Educational board for guidance in the future.

Booth at the Fair—Scott will contact the Advisory board to see if they want to work together with us on one booth at the fair.

Jacki was asking about a Beef Fitting and Grooming Clinic. The suggested dates would be Early to Mid July. Dawn would contact some suggested names that might be able to help with this area.

Swine—Matt Kaufmann helped out at the Swine School, and he did state that he would return if we needed more help.

Equipment Requests—The Serger was requested to be rented out. The board will be allow it go out if the person is trained in the machine. They will be made aware that if the machine is damaged they would be charged for the machine replacement value.

The board was informed that a donation was given to cover the costs of the Skill-a-thon kits that are used. The board decided that the newly fixed kits will be available to go out to clubs, but the new ones will remain in the office and only be used for Skill-a-thon Official business.

It was discussed that we will need job descriptions for the coaches and coordinators and make sure that these are put in place for the future of the Educational Board.

Scott is taking the lead on the booth, but requested any help from any member to get this completed.

Meeting was moved to close by Jeff, and 2nd by Dawn and Judy. All in favor closed the meeting at 8:15.
