I WANT TO WORK ON MY 4-H PROJECT, WHERE DO I START?

During this time there are a lot of questions regarding 4-H, such as:

- How should I plan for my projects?
- Should I take market animals?
- I didn't get my project books before the office closed how can I work on my project?

Today's topic is: **Dogs** There are a lot of unknowns for this year's dog show season. What we can tell you at this time is:

- Paperwork needs to be completed and turned in to your 4-H Club Advisor
- All 4-H Dog show dates are pending
- Keep working on your books (if you have them) and with your dog(s). We are working to provide online project book purchase options.
- You can find study resources at https://ohio4h.org/statewide-programs/animal-sciences/dog/dog-resources New resources are added as they become available.
- As soon as we are able to meet face to face, we will advise when clinics will be scheduled, and all families will receive a copy of the Ohio 4-H Dog Rules.
- Keep watching this **Official** Lorain County 4-H Facebook Page your email, and our Lorain County 4-H website for updated information. https://lorain.osu.edu/https%3A//lorain.osu.edu/home/covid-19-4-h-updates-resources-volunteers-families
