If you do not have the required information, please enter TBD. For example, poultry receive wing bands at fair check-in, animals that possession/ownership deadlines have not passed, etc. If the required information is a radio button, please select one and note on your entry worksheet that this will need to be updated. All animal information will be updated and verified during the check-in process at fair.

All animals entering a **BBR** class MUST complete an online BBR Registration by the entry deadline.
