Steps in Making a Motion

If there is something the members need to decide during the business meeting, it requires a motion, a second, open discussion, and a vote. The following steps are used to “entertain a motion” and to decide if club members are in favor of the item of business brought before the club.

The proper way to move a motion is to say, **“I move,”** not **“I motion.”** When an item of business is brought up for discussion these steps are used:

1. President says, **“Is there a motion to _____?”**
2. A member says, **“I move _____.”**
3. President says, **“Is there a second to the motion?”**
4. A different member says, **“I second the motion.”** If no second is made the motion dies and no further action is taken. If the motion is seconded, move on to step 5.
5. President says, **“It has been moved and seconded to _____. Is there any discussion?”**
6. President allows discussion on the motion.
7. When the discussion ends, the president says, **“It has been properly moved and seconded that we (President states the motion or has the secretary read the motion). All in favor say ‘aye.’ (Pause for vote), All opposed say ‘nay’.”**
8. President says, **“Motion passes.”** or **“Motion fails.”**

NOTE: The following tool helps keep order when a member seeks the floor to make a motion or discuss business. No one should speak unless recognized by the chair and given the floor. When a person wishes to speak the president says, **“The chair recognizes (name of speaker) and (name of speaker) has the floor.”**

Use of the Gavel

- Call the meeting to order (two raps)
- stand for the pledges (three taps)
- to be seated after the pledges (one rap)
- follow the announcement of the result of a motion (one rap),
- adjourn the meeting (one rap)

Audit Procedures

Because 4-H clubs are nonprofit and held to the standards of the Internal Revenue Service 501c3 determination, it is important that the finances for each club and group go through an audit. This practice of auditing protects the club or affiliate and the treasurer themselves.

Key Definitions

1. **4-H Club:** a group of 4-H members with an approved volunteer, EIN, checking account, etc. This group should conduct a yearly financial review and may use internal or external audits (or emergency audit when needed). It is recommended to have an annual or yearly financial review, internal audit once every three years, and an external audit conducted at least once every six years.
2. **Affiliate:** a non-4-H club that is affiliated with Ohio 4-H such as a 4-H council, county wide committee, etc. This group should conduct an internal audit annually and external audit (or emergency audit when needed) every three years or if there is a change in treasurer. Emergency audits should be conducted when needed.
3. **Yearly Financial Review:** An annual review of 4-H club / affiliate finances. A Financial Review Committee should be formed to conduct a review of club financial transactions and records for the year. The committee should consist of two adults (advisors or parents) and two members. No one on the committee should be from the treasurer's family or be a signer on the account. Refer to the *Ohio 4-H Treasurer's Record Book* for more information.
4. **Internal Audit:** Audits should be conducted every three years for clubs and affiliates who have combined income/outcome of \$5,000 or more annually. These should be conducted by a minimum of four individuals. It is suggested to have two advisors, two non-volunteer parents or two members. No one on the committee should be from the treasurer's family or be a signer on the account. Other individuals to involve may include the president or other officer, a 4-H volunteer from another club, or someone recommended by the county 4-H professional. The audit committee should review records since the last internal or external audit (3 years).
5. **External Audit:** External audits should be conducted by a minimum of four individuals identified by the 4-H professional to serve as an audit standing committee. Members should be unrelated from those who have been handling the funds and/or serve as a signer on the account that is being audited. These may include local OSU Extension staff, 4-H volunteers or qualified community partners. While the treasurer should not be a member of the audit committee, they should be present during the review to answer any questions or provide documentation. A Certified Public Accountant could be used in place of this four-person committee. The audit committee should review records since the last internal audit (3 years).
6. **Emergency Club/Affiliate Audits:** Should be conducted anytime there is a concern of mishandled funds. Emergency Audits should be conducted by the county 4-H professional under direction of State 4-H Staff.

Audit Steps

The following steps should be taken when conducting an audit. Follow the *Ohio 4-H Clubs and Committees Annual Financial Review & Audit* form when completing the audit to indicate when items have been reviewed and findings or recommendations for future years.

1. Secure all financial records (check register, cancelled check images, bank statements, written record (ledger, spreadsheet, or report), purchase receipts, deposit slip receipts, cash income receipts, treasure's book, club minutes) for the calendar year(s) being audited.
2. Secure financial statements for Venmo, PayPal or other approved electronic fund accounts used by the club.
3. Review the checklist in the *Ohio 4-H Clubs and Committees Annual Financial Review & Audit* form and indicate if the item is correct or not.
4. Whoever conducts the audit should complete the *Ohio 4-H Clubs and Committees Annual Financial Review & Audit* form, including completed checklist, signatures, date of completion, comments, or recommendations. After the form is completed, make sure to:
 - Report to the membership of the 4-H club/affiliate the state of the past year's records.
 - Include a copy with the treasurer's book.
 - Submit the form to the county extension office.
5. Complete and submit the 4-H Club/Affiliate Yearly Financial Summary by the county deadline.
