

Project Resource Kits

Kits can be used to compliment learning activities
with your 4-H Project

4-H Project	Activity Kits
Electricity	Snap Circuit Jr. Snap Circuit Green Electronic Snap Circuits Magic of Electricity
Engineering	Knex - Blue set Knex - Intro to Simple Machines: Gears Knex - Intro to Structures: Bridges Knex - Roller Coaster Raptors Revenge Knex - Roller Coaster Wild Whiplash
Robotics/Coding including Electronics	Lego Mindstorm EV3 Arduinos Original Minstorms Lego Robotics Ipads - set of 5 (Meet with Sally to Use) Makey-Makey Circuits (small group) Jimu Dancing Robotics
Green Energy	Hydro Power Air & Water Power Wind Power Solar Cars Power of Wind (small group)
Physics/Force	Straw Rockets 2 Litre Rocket Launchers Science Fun With Physics
Chemistry	Liquid Layers Tie Dye Dairy Science Fun with Kitchen Chemistry
Ag/Hort	3-D Flower Model STEM Challenge
