2017 Lorain County Private Pesticide Applicator Re-Certification & Fertilizer Application Certification Sessions

Private Pesticide Recertification: Does your Ohio Private Pesticide Applicator’s License expire on March 31, 2017? Ohio State Extension in Lorain County has planned several pesticide re-certification sessions for producers. Each session will offer 3 hours of credit, including CORE and all private applicator categories (1-6). For details on accumulated credits, visit www.go.osu.edu/pesticide or call ODA at 614-728-6987.

Fertilizer Applicator Certification: Due to Ohio’s new legislation, any farmer or producer who applies fertilizer to 50 or more acres must attend a fertilizer certification class no later than September 30, 2017. The OSU Extension office in Lorain County will be offering several certification sessions in 2017 so that producers may obtain their certification. For questions or exemptions to this rule, call the Extension Office at 440-326-5851.

The registration fee is $35/person for the private pesticide applicator re-certification training. Pre-registration is required 8 days prior to the session date. An additional $25 per person will be added for any registrations received after the published registration deadline. There is no fee for the fertilizer certification training.
